Publications Report, Joel

Nothing to report.

Nesika Report, Pete

Pete Recksiek hosted the February 10th weekend, mainly to check the status of the trails and lodge. Larch Mountain Rd was clear of snow to the MP 10 gate, but Palmer Mill Rd had drifts and downed trees. \$54 was collected for the 3 members. Generator, pipes, dorm, and lodge seemed fine. On Saturday, March 2, Pete Recksiek and Bob Walker attempted to assess the road and clear some trees but were not able to reach the main gate due to fresh snow on Larch Mountain Rd.

Tyee Report, Paul

February started with a private reservation, the leaders of Oregon and Hikers Club, with 15 attendees. The following weekend, Olivia and Pete Baake spent Friday night and Saturday waiting for PGE to repair an outage. PGE dealt with the minor repair promptly. Apparently, Olivia and Pete had fun watching the Snowcat in operation. The 3rd weekend was the biggest one of the month with a "Bus, Dine and Snowshoe" event followed by lunch for 20. Eleven NW Trackers built snow caves. Sheryl organized a 12 person "Tyee Winter Olympics" during the afternoon. All came together for a 30 person dinner on Saturday night. Many thanks to Olivia Baake for creating the weekend's menu and being lead cook, with Nina and Paul as assistants. The last weekend of the month concluded with 6 adults and 6 children at the "Kids Stay Free Weekend". It has become apparent that on-line payments are getting more popular. Some hosts are actively encouraging this, which Paul supports. Therefore, the idea of QR codes posted at the lodge was suggested. Eric Zimmerman is willing to lead this effort.

The left hood fan above the stove is not working. This summer, Paul will look into it before a replacement is installed. As mentioned last month, we are using the outside valve again for water shutoff. We need a permanent lean-to so this valve and water meter are always accessible. Paul, therefore, requests an additional line item in the budget of \$400 to pay for this project. Richard Gaunt has agreed to lead this project. Joel says he'll install a valve in April that will never need to be replaced. We will not move on this issue right now.

Trips Report, Craig

February had two day hikes and the TCO Winter Games events. There is interest among TCO members to organize a summertime "Bull Run Watershed Tour" with the Portland Water Bureau, as we did in 2023. Craig Gwydir will organize the event. TCO members (and non-members) are always welcome to join our monthly online "TCO Trips Leaders Meeting" to hear about future events, and discuss ideas about trips. These online meetings (1 hr) are posted on the TCO Meetup page.

Social Report, vacant

Update on Diversity, Equity and Inclusion Outreach Activities, Julia Mace

Chris S. continues to work with Sierra Club Inspiring Connections Outdoors, leading hikes. Paul, Chris and Julia are planning to host the Sierra Club ICO outing with Codero House on March 10, Sunday, at Tyee. This event includes a snowshoe with 8-10 youth and their guardians. Tyee may welcome them with lunch and fresh cookies/ hot drinks. The expected visit is between 9-3pm. The event is on the TCO calendar.

Last month we discussed having an Outreach Interest Form that community organizations could complete when seeking to collaborate with TCO. The board approved the adoption of the Outreach Interest Form for groups that want to collaborate with TCO.

Nominating Committee, Julia

The nominating Committee has grown by 100%! Jim Spencer has agreed to serve on the

committee. Lori confirmed his eligibility to serve. Julia intends is to build a full committee based on the by-laws by April or May. Currently, the open position we will be looking to fill is Social Chair. Julia talked with Jim and his wife, Libby, about the opportunity to organize the "Annual Banquet". They are thinking about it, and David Noyes has made himself available to collaborate with them if it is not held in May when he'll be traveling. The budget for the Annual Banquet is \$1,830.

OLD BUSINESS

501c3

Lori, Rebecca, and Bev met per group call on 2/28 with Johanna, the representative from StartChurch who will be handling our interactions. A small group will work through the bylaws and Articles of Incorporation and put it out to the board for discussion and approval.

Scholarship Fund, Julia

It was moved and seconded to create a TCO Sponsorship Fund funded with freely given donations for the purpose of offering financial assistance to promote accessibility for membership and/or activities. The motion was unanimously approved. The secretary will look into how to manage the fund.

Publications Report, Joel

Joel added QR codes on the website to make it easier to pay lodge fees, one for Nesika and one for Tyee. June is Jennifer's last month as Blazer editor. We will put a notice in the **May Blazer** seeking someone to take over the position.

Nesika Report, Pete

The hasp was broken on the forestry gate (main gate) on Larch Mountain Road on 3/30. The TCO lock was gone. The forestry lock and busted hasp remained. Pete Recksiek fixed the hasp by drilling a new hole on 4/6 and confirmed drivable conditions to the brown gate for the work party on 4/8. The TCO lock was replaced by Linda Conrad during the work trip on 4/8.

Linda Conrad and Bob Walker led a crew to cut their way in to the lodge from the main gate on 4/8. Dave Buchanan worked on transplanting silver firs around the Nesika grounds from the Cougar Rock trail. No Nesika revenue to report during March 2024.

Tyee Report, Paul

On the first weekend of March, the lodge was occupied with 8 youth and 3 adults from troop 636. The following weekend was a snowshoe and dine on the Saturday, followed by a group of 4 youth and 2 adults from Cordero House, Beaverton. This group was coordinated with Chris S, Julia M and The Sierra Club. During the Oregon spring break week, the lodge was open most nights with about fifteen people attending throughout the week.

At present, we have used just about half of the heating oil, so we will be looking at topping off the tank for about 200 gallons. As it should be, the new furnace is more efficient than the previous one. After further thought, Paul has decided not to build a lean-to over the water valve but, in the fall, add a tall, brightly colored pole to locate the valve if needed when snow covered. The plan is to have the new valve installed this spring and possibly attach a heated cable for the winter months. Trillium Lake litter clean-up is Saturday, May 18th. It will be posted on Meetup for members only, with a maximum 20.

Trips Report, Craig

Over the past month we had 4 day hikes, 1 Wednesday night conditioning hike and 1 online TCO Trips Leader Planning Meeting. Watch for TCO hikes being planned for History Weekend (May 11 weekend) up to and around Nesika. The "Trails Club Bull Run Committee" is still waiting on availability for Portland Water Bureau tickets to visit the Bull Run Watershed this summer. Please contact Craig Gwydir (TripsChair@trailsclub.org) if you are interested in assisting on day hikes. It's pretty easy and you receive free TCO swag! Some members have asked to have some less demanding hikes. Craig Ramano, a local author on hiking/outdoor matters, has contacted us to make a connection. Craig will follow up with him.

Social Report, vacant

DEI Committee Report, Julia Mace via email

The DEI committee met online on April 1. Attendees: Chris Seubert, Paul Cutter, Julia Mace, Lori Leach, Jackie Cherry (Sierra Club guest.)

Jackie Cherry is with "Inspiring Connections Outdoors", Sierra Club. They partner with programs in the community and schools to lead hikes for both youth and adults. They are a separate branch from the Sierra Club's political focus. ICO's mission is outdoor access for all in the truest form. Resource: <https://www.sierraclub.org>

Business:

1. Julia & Beverly are planning a Naturalist Activity at Nesika on May 11, 2024, with Wild Diversity of PDX.
2. We made some progress in adding new participating organizations to the DEI initiative. Big Brothers Big Sisters has agreed to join the Inspiring Connections Outdoors program, and Chris Seubert hopes to lead a hike with their participants in late May. Also, We Belong PDX, a youth mentoring organization, has expressed an interest in the Inspiring Connections Outdoors work, and will meet with Chris Seubert in the near future about a hiking program.
3. Julia will complete the Sierra Club volunteer process to enable her to lead hikes with ICO.
4. Next meeting is scheduled for June 3rd. Julia will look into hosting this meeting in person to offer a chance for more connection.
5. Lori L. has a few connections to share with Sierra Club.

Nominating Committee Report, Julia Mace via email

Our focus has been on reaching out to members to join the Nominating Committee in an effort to get a full committee of 5 members with one being a past president. Julia has emailed several past presidents and members about their interest in participating on it. The current open position is for Social Chair, 2024. In April we will be actively seeking a member or two to chair/ co-chair this open position. Julia has confirmed with Libby Spencer and Nora Tanner that they will serve on the Nominating Committee. The open Social Chair and Nominating Committee positions will be placed in the **May Blazer** with Julia's email for contact.

OLD BUSINESS

Sponsorship Fund Donations can be earmarked for helping disadvantaged individuals explore our club's special outreach programs. A special book-keeping category will be created by our

treasurer. Members who wish to donate to this cause may send money with a note for "sponsorship fund" to our treasurer.

Non profit status, Lori

We have sent everything StartChurch needs from us. We expect to hear from them soon.
