Social Trustee Needed

The Club needs to fill the board position of Social Trustee. The main commitments are to set up for the Annual Meeting in November and attend the monthly zoom board meetings. This position has also typically organized a spring picnic or banquet. The previous social chair and board members are happy to provide support. Of course, the job can be expanded as described below.

THE TRAILS CLUB OF OREGON WANTS TO THANK ALL ITS MEMBERS FOR THEIR SUPPORT AND CONTRIBUTIONS.
Reminisce a moment on a favorite TCO memory.

Was it a hike or an event?
Tyee or Nesika?

I was introduced on a membership hike. I joined immediately; I had found a tribe of like-minded people.

The Board is currently seeking a Social Chair.

Have great ideas? Want to see TCO grow? Membership, hikes, lodge events, backpacking trips, snowshoeing etc. There is no limit to the creativity here. Perhaps a family retreat or music event.

And you don't have to do it alone! Grab a friend (or 2) to co-chair. You will

have support from members to mentor you through the process.

TCO IS OURS TOGETHER, LET'S MAKE IT GREAT!!!!

The nominating committee is ready for interested persons.

Please contact Julia Carroll at juliamace1993@gmail.com

Trail Blazer Editor Needed

The Club needs a member who will edit the Trail Blazer, our monthly publication. The editing is done on-line so no special software or tools are required. The editor compiles input from the board and the event calendar as well as articles and photos from members. Joel Reitz, Publication Trustee, can assist with the process and programs/apps. Please contact Joel with questions at publicationchair@trailsclub.org

Kathleen Graham passed in April 2024.

She was the daughter of the Ackermans of Beaverton, grew up Beaverton and graduated from Beaverton High. She attended the U of Oregon graduating in the fifties with a teaching and music degree. Her first job was in California followed by an assignment in Germany at a US army base. It was there that she met and married a young soldier, Ron Graham, from Michigan. They returned to Michigan. Kathleen enjoyed learning the skill of ice skating.

Oregon was calling her home so she and her daughter, Rhonda, returned. She soon discovered the Trails Club. She took part in many hikes, summer outings, lodge work parties and committee work. For several years she organized the planning and leading trips for the winter sport cross country ski trips. Kathleen would often seek out the new members at events welcoming them with a friendly smile and conversation. Thank you Kathleen for your active participation in Trails Club over the years. She is survived by a granddaughter in MI, sister, of Kirkland, WA and a daughter, Rhonda, of Tigard, OR.

Trip Report

Outing to the Ape Cave Lava Tube

August 18, 2024

On August 18, volunteers from the Sierra Club and the Trails Club of Oregon led an outing with five Big Brothers Big Sisters matches (10 people) to visit the Ape Cave lava tube near Mount St. Helens. As the group descended the stairway into the cave and left the forest behind, they entered a different world. A world that is permanently cool (40 degrees) and dark, both day and night, throughout the year.

The floor of the lower lava tube is surprisingly level with only a few places where one has to step down and around a few rocks. The group got some good exercise while walking the length of the lower lava tube miles and back ($\frac{3}{4}$ miles each way).

At 1.5 miles in length, The Ape Cave lava tube is the longest lava tube in North America. The group learned about the eruption of Mount St. Helens 1,500 years ago and the unique lava flow that created the tube.

After hiking through the lava tubeThe group visited the nearby Trail of Two Forests exhibit. The exhibit features a tree that fell to the forest floor and was covered by a lava flow 1,500 years ago. After the tree was covered by lava, it disintegrated. This left behind a hollow space below the lava surface of the forest. The kids delighted in crawling through a hole in the lava surface and through the hollow space left by the disintegrated tree and popping out of another hole at the other end.

Everyone seemed to enjoy the Ape Cave outing and were impressed with the chance to experience truly unique volcanic formations.

Nothing to report

Nesika Report, Pete

June 15, Bob Walker and Pete Recksiek delivered the boiler to the dorm basement to be installed the next work trip. A large Doug fir stump needed to be removed from the monster trail for tractor access.

June 22, Trisha and Bob hosted a volunteer work weekend. Trisha and Nina prepared food for the volunteers. The old boiler was removed and taken to the parking lot in the tractor bucket. The new boiler was set into the lodge in its place, to be connected during the next work weekend. The lawn was cut and weeds trimmed around the lodge and dorm. Craig led a day hike to the lodge with 6-8 hikers coming in from the main gate. No money was collected, as it was a volunteer weekend. The hole in the road at Multnomah Creek bridge was reported to Forestry Service, with no timeline given on its repair. \$263 was submitted for boiler parts, general repairs and diesel fuel for the month of June. Bob Walker resigned as lodge co-trustee with no reason given.

July 4-7, The boiler installation was completed and successfully tested. New leaks were discovered and repaired after hot water was applied to the system. New shelves were delivered

by Ken Potter and installed in the basement. Basement was tidied up and new shelves put into use. \$144 in fees collected, \$70 in donations collected from the coffee can.

July 13-14, Julia Carroll hosted 4 hikers from Wild Diversity, cohosted with Pete Recksiek and Helen Wang. 20 gallons of diesel fuel delivered.

Tyee Report, Paul

Tyee had 3 weekends open in June: a men's group, a members' weekend, and a work party with Mazamas overnight (\$288). At the work party, the games room mural was created, thanks to Sheryl, more basement was painted (Jeff Lawton) and the building was generally cleaned. July started with a holiday opening by Olivia Baake. At the work party, 6 members painted the front fire escape top to bottom, inside and out. More painting was done in the basement (Elaine Nelson).

Unfortunately the new water valve is defective and leaks in the closed position. The internal valve is now in the open position with the shut-off again outside. Joel and Paul are discussing our next step. Hosts have been informed. (*ed: now fixed*)

Immediately following the work party Catlin Gabel HS with 26 students and 6 adults stayed in the lodge for six nights (\$2412.00 income). This is their annual Elana Gold Service Project week.

A little background:

Elana Gold was a Catlin Gabel sophomore in the early 90's tragically killed in an air crash. As Elana was a staunch conservationist, her parents set up a foundation in her name. For the past 30 years Catlin Gabel HS students have volunteered for the Forest Service. Their volunteer project has been building buck and pole fencing and barbed wire fencing to keep cattle out of the streams and watersheds on the east side of Mt. Hood. Their accommodation for the first 10 years was Camp Cody, then 10 years at Boy Scouts lodges, and the past 2 years at Tyee. They are looking to book again next year. This was one of the most rewarding weeks of the year for me, as I was involved with the volunteer work and then full time hosting at the lodge.

Trips Report, Craig

The Trails Club had 3 day hike events, 2 kayak/paddle board events, 1 trip planning event, and 2 backpack events as well as weekly evening hikes every Wednesday during the months of June/July. Trails Club has a couple of extra tickets to an upcoming Bull Run day tour sponsored by the Portland Water Bureau on August 24. The tickets will be available to TCO paid dues members via the TCO calendar this week. Trails Club volunteer teams made 3 trips to Nesika Lodge over the course of 6 weeks in June/July and completely cleared the entire length of the

Cougar Rock trail. The Cougar Rock trail will be brushed again in September.

Planning will commence on the next plateau trail segment to brush out - likely the 0.5 mile connector trail between the Monster Trail and Franklin Ridge. We are looking into having trail signs made for the west side of the Cougar Rock trail. These trail signs would be in compliance with USFS trail sign specifications. Craig is getting some business cards for leaders to hand out.

Education Committee, Julia Carroll via email

Chris Seubert has arranged 2 outings for the Big Brothers Big Sisters, one to Ape Cares in August and, the other, to Horse Thief Lake petroglyphs in October. He is planning a September outing for BBBS to the St Helens visitor center with a short hike.

Paul Cutter hosted the Catlin Gabel School volunteers at Tyee for a week in July.

Julia hosted 5 members of Wild Diversity at Nesika in July. They enjoyed the backpack into the lodge and want to discuss other partnership events.

Nominating Committee, Julia Carroll via email

We have not received any communication from members who may be interested in Social Trustee position. Joel has placed the write up we drafted in the Blazer the past few months to get the word out. This committee has not met since spring when we drafted the write up. Current committee members: Julia Carroll, Sheryl Wagner, Jim and Libby Spencer, Nora Tanner.

Terms ending this year: vice president, secretary, publications, social and trips. The secretary, publications and trips are willing to serve another term. The vice president and social will need to be filled.

OLD BUSINESS

501c3 Status, Lori

Status

Suggested templates for Restated Articles of Incorporation and Bylaws have been received from StartChurch.

Documents from the Mazamas and Obsidians have been obtained, including:

Mazamas restated Articles of Incorporation 3/4/1996

Mazamas Bylaws 1/31/2023

Obsidian Bylaws 1/2024

The templates and previous documents are being reviewed by the non-profit committee and the committee is working to restate and edit proposed document and to include a Policies/Practices document.

Reviewing of ORS – Oregon Revised Statutes Chapter 65 Nonprofit Corporations

Next Steps

Documents need to be approved by the Board and voted on by the Membership.

ARTICLE IX: GENERAL PROVISIONS

Section 1. Amendments:

- a. Amendments to the Bylaws may be proposed by the Board of Trustees or by ten or more voting members.
- b. Notice of any proposed amendment shall be given to each member at least 15 days prior to a Club meeting.
- c. Amendments so proposed shall become effective upon the affirmative vote of 2/3rds of the voting members present and voting at a Club meeting.

To move forward with StartChurch, we need to send and receive the approved Restated Articles of Incorporation from the State of Oregon.

Once approved, the committee will interview with StartChurch to help complete the 1023 IRS application. It will take StartChurch three weeks to ready the 501(c)3 application for us to mail. The IRS will send an acknowledgement letter within 4-8 weeks.

Within 3-6 months, the IRS will send the Federal Determination Letter for IRS approval.

Blazer Editor, Joel

No one has volunteered to edit the Blazer. Joel will continue with a very simple presentation.

NEW BUSINESS

Someone to take minutes for September meeting

No one volunteered so will name a minutes taker at that meeting.

Cape Horn Trail, Gorge Summer Fest, Saturday, August 24, 5-8 pm. We've been asked to have a table at the event to promote the Club. Joel will put out an email asking for a member/ members to represent our club.

Reminders

For activities such as bicycle, snowshoe, and XC skiing check with the leaders for the difficulty level. Good equipment for the specific activity is required for all events. For hikes, snowshoes:

- **Class A** - Shorter, less strenuous activity, typically 4 to 8 miles, less than 1500 feet elevation gain.
- **Class B** - Moderate to difficult, typically 6 to 12 miles, up to 3000 feet of elevation gain.
- **Class C** - Long and difficult, strong experienced participants only, typically over 8 miles, and over 3000 feet of elevation gain. Boots are recommended for B/C hikes.

Harsh conditions may increase the exertion and skill required; be prepared. Contact the trip leader if you have any questions and to let him or her know that you will be attending. Bring the 10 Essentials and please, no alcohol. Pets allowed on designated trips only.

Stay with the group and follow the leader. The leader is responsible for the group's safety. The leader determines which route is taken. The leader has authority to determine if a participant is prepared for the activity. Group safety must come first.

Fees

There is no charge to Trails Club members for day activities; non-members pay \$2. Please contribute to any carpooling expenses at the rate of \$.20 per mile. With multiple riders the driver can collect up to \$.50 per mile shared by all the riders. Other fees may apply.

If you have RSVP'd for an activity at a lodge involving food expense and are unable to participate, you are obligated to do one of the following: Cancel before the food is purchased, find someone to take your place, or pay for your share of the food.

All activities must be approved by the appropriate activity coordinator or the Trips Trustee.
