THE TRAILS CLUB OF OREGON

History: On October 3, 1915, 26 men of the Progressive Businessmen's Club gathered at Summit of Larch Mountain to dedicate the newly completed trail from Multnomah Falls to the top of Larch Mountain. Capping the ceremony they announced the formation of the Trails Club of Oregon, with Sam Lancaster, famous for building the Columbia River Scenic Hwy, as first president. After a few years as guardians of the trail, our founders became interested in developing an outdoor club, which was incorporated on June 5, 1923 as the Trails Club of Oregon.

Objective: The objectives of the club have remained unchanged: to foster and stimulate interest in hiking, climbing, skiing, camping and other similar outdoor activities; to promote activities of a social and recreational nature for the benefit and enjoyment of its members; and generally to encourage and promote the physical and mental capacities of its members.

In furtherance of these objectives, the club members volunteer to conduct weekly hikes and other activities in season. This includes maintaining our two lodges, Nesika Lodge overlooking the Columbia Gorge and Tyee Lodge on the south slope of Mount Hood.

Principles: Our foremost rule is always Common Sense and Courtesy to others. It is expected that persons participating in club activities will be physically able and properly equipped to enjoy them. For safety and practical reasons, no intoxicants, smoking, firearms or pets are permitted at Trails Club activities or lodges. The only exception to the rule is published "dog friendly" activities. To avoid possible ill feelings political or sectarian demonstrations are also discouraged.

Club Structure

All club officers and committee members are non-paid volunteers.

Board: The club is governed by a board of four elected officers (President, Vice President, Secretary, Treasurer) and five elected trustees (Trips, Social, Membership, Lodges, Publications), who conduct club business according to our Articles of Incorporation and Bylaws. (Copies of these documents are available on our web page or by request from the Membership Chair.) Board members are recruited by our Nominating Committee and elected by the club members at the annual meeting. Each board member's term of office is two years, with four members elected on the even year and five on the odd. The board meetings are held monthly and members are welcome to attend. Check the web site or current newsletter for the date, time and location.

Committees: Our committees conduct many of the club's events. *Trips* and *Outings* are responsible for outdoor activities. *Social* schedules the annual banquet, club picnics, Adventures & Travels nights and most of the lodge events from March through November with the *Winter Coordinator* arranging hosts for the winter months. *Promotion* and *Membership* work together to endorse our club to prospective members and arrange trips that meet all of the membership requirements. *Lodge & Properties* and *Property Advisory* oversee the maintenance and

improvements of our lodges and property. *Publication* produces our monthly newsletter and maintains our web site. *Conservation* represents us on environmental issues. Our Financial Committees (*Auditing, Budget Advisory, Investments and Memorial Endowment*) help us to manage and safeguard our funds. *History* preserves our club's historical materials. Some committee chairpersons are elected by the membership, some appointed by the president, subject to the approval of the board of trustees, and some are elected by the committee members themselves but all of the committees operate under the supervision of the Board of Trustees.

Members: All club activities are made possible by the voluntary participation of our members. This involves not only serving on committees or on the Board of Trustees, but acting as a leader on a trip or outing, working at the lodges, hosting or cooking at events, assisting with the annual banquet, presenting a program at Travel and Adventure nights and serving in numerous other ways. For more information contact the appropriate committee chairperson listed in the back of this directory.

Meetings: *The Annual Meeting* of the membership is held yearly at 7:30 p.m. on the second Monday of November. The location is published in our newsletter and posted on the web the month before the meeting. The program includes annual committee reports, elections of the board members and voting on any Bylaw changes. *The Annual Banquet* is held in the spring, usually in April. The event includes presentation of club awards, a guest speaker and program, information booths, and time to socialize with friends. *All members should plan to attend these club meetings each year.*

Communication: Information about our club activities are published in our monthly newsletter "*The Trail Blazer*" and on our web site at www.trailsclub.org.

See *Club Communications* section starting on page 8 for more information.

Membership

Requirements: Any person of good moral character and in agreement with the objectives and purposes of the club shall be eligible for membership as a regular member if 18 years of age or older, a senior member if 65 or older, or as a junior member if 12 through 17 years of age. **The following requirements are to be completed within one year:**

1. Complete one regularly scheduled trip; such as a hike, cross-country ski, snowshoe or backpack of not less than four miles: or a bike trip of not less than sixteen miles.
2. Attend one of our lodges during a regularly scheduled event.
3. Have two members, not in the same family or in the applicant's family sign the application as sponsors.

Application forms are available from our trip leaders, on our web page, by mail or phone.

Once all requirements have been met, the completed membership application must be submitted to the Board of Trustees along with the entrance fee of \$15.00 and the first year's dues (see below) by mailing it to the club PO Box. New members joining in the last half of the year pay 1/2 the dues. See the application form for half year rates.

Annual Dues: All dues are payable to the club each year on or before the first of January. The dues renewal form is mailed to our members in their December newsletter and available on our web site.

Regular dues are \$45 per year. Dues for Junior members (12-17), Seniors (65+), and additional family members at the same address are \$25 per year.

Each person must apply for membership. The new member's entrance fee is \$15.

Termination: Membership is considered terminated for failure to pay by the first day of February.

Resignation: Members may resign from the club by submitting a written resignation to the board. This allows a member to be reinstated at a later date without meeting many of the membership requirements.

Guests

Non-members who are interested in learning more about our club can request our information packet by mail, e-mail or phone. Guests are always welcome on Trails Club activities but must be accompanied and registered by a member to stay overnight at a lodge. Members can host up to 5 guests at club events. A guest should be a person known to the member.

Trips

Hiking, biking, backpacking, cross-country skiing and snowshoeing are the main outdoor activities of the Club. Our volunteers lead hundreds of trips each year with activity levels for all. These are published in our monthly newsletter and on our web site. Trails Club activities are designed to give participants safe and fun outdoor experiences. We promote awareness, appreciation and enjoyment of our beautiful Pacific Northwest.

Introduction to Trips: Check our pamphlets "Before Going with the Group" and "Cold Weather Guidelines" to become comfortable with trip expectations. Being prepared greatly increases your enjoyment of the trip. Good equipment for the specific activity is required for all events.

Leading a Trip: Contact the Trips Trustee to learn more about leading and to receive "Leading Trips". This booklet will cover most of the topics that you will need to know as a Trip Leader.

Leader Training & First Aid Classes: Each year leader training and first aid are provided free of charge to our leaders. If you are interesting in leading contact the Trips Chairperson for more information.

Henry Waespe Distinguished Service Award

The highest honor the Trails Club can bestow is the Henry Waespe Distinguished Service Award. This recognition is given to an individual who has served the Club both well and long. It is given not for a single achievement, but for a record of service to the Club in various capacities. It remembers Henry Waespe, who spent most of his lifetime serving the Club he loved.

4. When members are using one of the lodges for Incidental Use, *without a host*, each member is responsible for sending in their own lodge fees and those of their guests, with a completed lodge registration card or lodge usage report to the club's PO Box.
5. The lodges are scheduled through the Vice President (see Scheduling Procedures below). Tyee is scheduled with the Tyee Winter Coordinator Dec 1 through Mar 31.
6. Events chairpersons (Winter Sports, Social, etc.) also need to schedule the dates of club events at the lodges with the Vice President.

Lodge Scheduling Procedures:

This procedure is used to make sure scheduling conflicts do not happen and that lodge hosts are qualified to operate our lodges. Any member can make "incidental use" of the lodges at any time if they are qualified to operate the lodge. However, without scheduling, or checking the schedule, they may encounter an unexpected lodge event. *It is important to read the lodges information on pages 14 -17 of this hand book to familiarize yourself with many of the lodge rules and procedures before scheduling a lodge event. Additional information will be included in the Lodge Host Packet that will be mailed to you after your event is scheduled.*

1. Check for available dates on the club website at www.trailsclub.org (event calendar; lodge events) to see if the lodge is already scheduled.
2. Request your lodge date by e-mail. Send the request to the specific lodge e-mail address tyee@trailsclub.org or nesika@trailsclub.org. Request must include members name, dates requested, and type of use (Hosted , Host Only, or Special Group). Using these e-mail addresses will send the request to the appropriate people.
The Vice President, or Tyee Winter coordinator* may be contacted by phone if e-mail is not available.
3. If board approval is required, the VP will make the request at the next board meeting. You will be notified you when your date is approved
4. The VP will notify the webmaster to place the event date, event name and contact name on the Lodges calendar.
5. After your event has been approved, it is your responsibility to submit an article to blazer@trailsclub.org before the Blazer deadline prior to your event, to get your event's information published in the newsletter and placed on the web site if desired. When writing an article for your weekend you should include anything special about the weekend. If you know there will be many small children, or plan to play games until dawn, mentioning this will help get a compatible crowd. What meals will or will not be served, if it's a pot-luck, special foods (vegetarian, etc.) should be mentioned as well.
6. If you need a loaner key, contact the lodge chair so one can be mailed to you before your event. Do not borrow a key from another member unless approved by the lodge chair.

Meeting Places:

Most leaders designate a meeting place within the Portland Metropolitan area to assemble at before the trip. At the meeting place, participants will be informed about the trip, sign the trip log, pay their trip fee and if they wish, join a car pool.

Gateway Park & Ride on the east side of Portland is used as a meeting place for hikes in the Gorge or on Mt Hood. From I-205 take the Glisan Street exit, proceed east to 99th Ave, turn north, proceed a couple of blocks and park in the park and ride garage. Meet at the SE corner of the structure (near the stairs) on the sidewalk (directly inside if it is raining). From I-84, take I-205 and follow the above exit and instruction.

Wallace Park is a common meeting place for Forest Park and city hikes. Meet at Wallace Park on NW Raleigh between NW 25th and NW 26th. Parking is usually not a problem on Raleigh. Tri-Met buses 15, 17 and 77 service is near.

Friendly House is a meeting place for Forest Park and city hikes. Meet in front of Friendly House (2617 NW Savier St.) on NW 26th between Savier and Thurman. Parking is usually not a problem. Tri-Met bus service on routes 15, 17 and 77 is near by.

Target is a common west side meeting place for hikes. Exit US 26 at NW 185th Ave and drive south to Evergreen Pkwy turn east (left) one block to NW Town Center Dr., Park and meet on the west side of Target's parking lot across from Starbucks Coffee. Tri-Met buses 47, 52 and 89 service is near.

Newsletter -The Trail Blazer

The Trails Club publishes a printed monthly newsletter, *The Trail Blazer*, which is mailed to members near the end of each month. Non-members can subscribe to our newsletter for a nominal subscription fee (currently \$25 / year). Electronic copies of the newsletter are also available on the Trails Club web site.

Members can choose to save paper by opting for “Electronic Only” Trail Blazers. When you sign up for Electronic Only you will not get a paper blazer in the mail, but you will receive an e-mail reminder each month when the new Trail Blazer is posted to the web site.

Web Site - TrailsClub.org

The club also maintains a web site at www.trailsclub.org. This is quickly becoming the primary place to find current information about club activities because updates can be posted as conditions change.

The member’s area also has lists of club award winners and past presidents. A Members Only area, accessible with a password, contains direct contact information for club officers and trustees as well as board of trustee meeting minutes. Members can get access information by contacting the webmaster.

Other web site information includes General information about the club, photo galleries, and general contact information for the club.

Lodge Scheduling Policies :

The following policies are used for scheduling and reserving our beautiful lodges. These policies help ensure that lodge availability is fair for all club members.

1. The lodges are for the sole use of our members and their guests. The Trails Club does not rent our lodges to private groups or individuals.
2. Members ***in good standing and who have been approved to operate the lodges*** can schedule the lodges for Hosted, Host Only, or Special Group events or make incidental use of the lodges. All lodge users are encouraged to be aware of other events in the lodges and do their best to coordinate and cooperate with events before, during, and after the lodge visit.
3. Board of Trustees approval is required for Special Group events where the member will be hosting more than 5 guests or taking reservations from non-hosted guests. A member who schedules a Special Group event is responsible for their guests and will collect and submit the standard lodge fees. ***Other members are allowed to use the lodge during these events, if space is available.***

The family cap is the maximum a family pays per night for lodge fees. A family is defined as one or two adults from the same household and the minors related to them.

Day-Use Fee: \$3.00 is charged to all members and guests staying at either lodge during the day. Drop-in hikers are exempt.

The cook is responsible for planning the menus, shopping for the food, transporting the food to the lodge, preparing and serving the meals. Cooks typically provide a dinner and breakfast during an overnight event. Lunches may also be provided on multi-day events.

Facebook

A Trails Club of Oregon **Facebook** group has been established for use by members and those interested in the club. The group is currently informal and there for members to use as they will. No attempt is made to post all, or any, club activities to the group. The group is restricted, so people must ask to join the group.

To join the group you must have a Facebook account, you can then search for the “Trails Club of Oregon” group and join the group.

Information can be posted by any member of the group and so do not necessarily represent a recommendation by the club or its board of directors.

Trails Club Meetup

The club Meetup is an additional way to publicize and manage trips. The event leader posts the event on Meetup themselves. Meetups provide many tools to help leaders manage their event and is a ideal way to set up a short notice trip.

E-mail

A great deal of club communication is conducted via e-mail. We include e-mail contact information whenever possible for event leaders and include member e-mail addresses in our directory.

The following e-mail addresses are used for routine club business. It is best to use these e-mail addresses, rather than a personal e-mail directly to an individual, when possible. These addresses are routed to all the current, appropriate people.

Club

mail@trailsclub.org - This is a general contact e-mail for information about the club. Messages are directed to the membership committee.

membership@trailsclub.org - This e-mail is used to send corrections to member information such as address, phone, and e-mail changes. It is also used to opt in and out of the “electronic only” Blazer list. This address is routed to the membership database manager.

Publications

blazer@trailsclub.org - This is the address that is used to submit articles to our publications; *The Trail Blazer* and our web site. Messages are directed to the Trail Blazer editor, the webmasters, and the vice president (for the club calendar).

webmaster@trailsclub.org - This address is used to contact the webmasters about issues specific to the club web site trailsclub.org, and other electronic communications that are maintained by the club. This e-mail is routed to the webmaster and the assistants as well. This lets us cover for each other when one of us is away having outdoor fun.

Lodges

The two club e-mail addresses make it easy to request lodge use, contact the lodge chair, or report conditions at one of our lodges. These e-mail are routed to the lodge chairs and the vice president (for scheduling).

Lodges

The club owns, and maintains two lodges. *Tyee Lodge* on Mt Hood near Government Camp and *Nesika Lodge* in the Columbia River Gorge.

TYEE LODGE

Tyee Lodge was officially dedicated on September 28, 1952, with an addition built in 1958. The lodge is situated on Forest Service land about two miles northeast of Government Camp. The three level lodge contains two sleeping areas on the upper floor, a large comfortable living room with a fireplace, a full kitchen with two glass top electric ranges and a big dining hall on the main floor and on the lower area a ping pong room, drying area for wet clothes and an equipment holding area. The lodge can accommodate 22 women and 22 men in the bunk style sleeping dormitories.

It is reached in winter by a quarter-mile trail starting at a point four-tenths of a mile up the Timberline Road. In summer the lodge is reached by driving about one mile up the West Leg Road.

Tyee Lodge is open most weekends in the winter. It is close to Summit Ski Area and the Alpine Ski Trail. The terrain surrounding the lodge has a gentle slope, making it an attractive area for beginning skiers and snowshoers. During the summer months the lodge is used for many events and as a base for hiking on the numerous trails in the area.

NESIKA LODGE

The original Nesika Lodge, a rustic log cabin was built in 1924 on the club's property in the Columbia River Gorge, between Multnomah Falls and Oneonta Creek, high above the Columbia River. The original lodge was replaced with a beautiful log and stone structure built mainly by our members and dedicated in 1997. The new lodge includes a full kitchen centered around a wood burning range, dining space, game areas and plenty of space to sit around the fireplace. A local water system and generator provide water and power for the lodge. The sleeping quarters, two bunk style dormitories provide three separate sleeping areas for approximately 50 people. There is also space for small tents for those that prefer to sleep outdoors. Other outbuildings include a generator building, wood shed, tool shed and outhouses.

The club's property is normally reached by trail. The more scenic approach starts from the Columbia River highway at Multnomah Falls just 30 miles from Portland. The route follows along Multnomah Creek with its many waterfalls and cascades, then cuts through Multnomah Basin and a tall timbered area, a total distance of about four miles. The other approach is via Palmer Mill Road near Larch Mountain, then by trail. The road is gated so you must have a key to drive in.

Nesika Lodge is an ideal spot for large or small parties with the opportunity to take numerous hikes in the surrounding area, or just take an easy stroll out to the viewpoint to enjoy the spectacular view of the Columbia River Gorge.
