Social Trustee Needed

The Club needs to fill the open board position of Social Trustee. The main commitments are to set up for the Annual Meeting in November and attend the monthly zoom board meetings. This position has also typically organized a spring picnic or banquet. The previous social chair and board members are happy to provide support. Of course, the job can be expanded as described below.

THE TRAILS CLUB OF OREGON WANTS TO THANK ALL ITS MEMBERS FOR THEIR SUPPORT AND CONTRIBUTIONS.
Reminisce a moment on a favorite TCO memory.

Was it a hike or an event?
Tyee or Nesika?

I was introduced on a membership hike. I joined immediately; I had found a tribe of like-minded people.

The Board is currently seeking a Social Chair.

Have great ideas? Want to see TCO grow? Membership, hikes, lodge events, backpacking trips, snowshoeing etc. There is no limit to the creativity here. Perhaps a family retreat or music event.

And you don't have to do it alone! Grab a friend (or 2) to co-chair. You will

have support from members to mentor you through the process.

TCO IS OURS TOGETHER, LET'S MAKE IT GREAT!!!!

The nominating committee is ready for interested persons.

Please contact the nominating committee chair Julia Carroll at

juliamace1993@gmail.com

Vice President Nominee Needed

There is an opening for the board position of Vice President for the 2025-2026 term. All board members serve for staggered 2 year terms. The commitment for Vice President is to attend the monthly zoom board meetings.

The Vice President fills in when the President is not available.

The Vice President also is the parliamentarian, insuring the meeting is orderly, and adheres to the Articles of Incorporation and the Bylaws.

This is a great way to serve the club with minimal responsibilities, being a voting club officer, and see the inner workings of the club.

The nominating committee is ready for interested persons.

Please contact the nominating committee chair Julia Carroll at

juliamace1993@gmail.com

Proposed Changes to the Articles of Incorporation and Bylaws

The Trails Club of Oregon Board of Trustees are proposing to transition the club to a 501(c)3 tax classification. This requires changes to both the Articles of Incorporation and the Bylaws. Look for the text of the proposed changes in the November Trail Blazer. These changes will be voted on at the Annual Meeting in November.

Lodge Fee payment notice

When paying on-line for lodge fees, please be sure to include the event name and date to help our Treasurer keep the books straight. Required fields have been added to the on-line payment forms.

Thank you.

REGULAR BUSINESS:

Minutes from August were approved by email prior to the Blazer publication.

OLD BUSINESS

Education Committee Report, Julia

The next Education Committee meeting is October 7th, on Zoom. No update from the last month. Julia noted that this group is cross connected with SIERRA club; there are many people in TCO that would like to access groups that do not have easy access to the outdoors.

Nominating Committee Report, Julia

The two open positions, Social Chair and VP were discussed; their priority is to strategize outreach to members that may be interested in serving on the Board.

It was suggested to reach out to active TCO members and those who attend lodge work parties.

The "volunteer/serve" check box will be added to the membership form. The two open positions were discussed at length, including the needed qualifications and time requirements; this information will be added to the annual meeting notice. Julia suggested getting the Committee together for an informational Q&A. It was suggested by a member that the Board offer incentives; this was discouraged by the Board, as it was a conflict of interest for a volunteer to receive incentives to serve. It was also discussed that as the Club moves towards becoming a non-profit, they should avoid remuneration.

Treasurer's Report August, Nicole

Nicole reported that lodge hosts need to be reminded to turn in their expense receipts especially if they are paying themselves from the cash received at the event. The subject of hosts prepaying themselves was discussed at length. It was suggested that hosts should not prepay themselves as all cash received should be submitted to the treasurer for a cleaner audit trail. It was also suggested that hosts that prepay themselves without turning in a receipt within 30 days should be invoiced for the amount they prepaid themselves.

Investments are trending up.

The budget cycle for the 2025 FY will begin in October. Lodge Chairs are encouraged to review last year's forms and identify the capital improvements needed. It was noted that operating expenses are separate from capital expenses. Unanticipated expenses that are not in the budget are currently voted on by the Board as they arise.

Non-Profit Status, Lori:

501(c)3 Status:

Suggested templates for Restated Articles of Incorporation and Bylaws have been received from StartChurch. Documents from the Mazamas and Obsidians have been obtained, including: Mazamas restated Articles of Incorporation 3/4/1996, Mazamas Bylaws 1/31/2023, Obsidian Bylaws 1/2024. The templates and previous documents are being reviewed by the non-profit committee and the committee is working to restate and edit proposed documents and to include a Policies/Practices document. Reviewing of ORS – Oregon Revised Statutes Chapter 65 Nonprofit Corporations

Lori reported that the bylaws need to be streamlined, and explained what we do in the policy and procedures that is a living document. Lori is putting all the information as needed into the bylaws and will finish this week.

Next Steps

Documents need to be approved by the Board and voted on by the Membership.

ARTICLE IX: GENERAL PROVISIONS

Section 1. Amendments:

- a. Amendments to the Bylaws may be proposed by the Board of Trustees or by ten or more voting members.
- b. Notice of any proposed amendment shall be given to each member at least 15 days prior to a Club meeting.
- c. Amendments so proposed shall become effective upon the affirmative vote of 2/3rds of the voting members present and voting at a Club meeting.

To move forward with StartChurch, we need to send and receive the approved Restated Articles of Incorporation from the State of Oregon. Once approved, the committee will interview with StartChurch to help complete the 1023 IRS application. It will take StartChurch three weeks to ready the 501(c)3 application for us to mail. The IRS will send an acknowledgement letter within 4-8 weeks. Within 3-6 months, the IRS will send the Federal Determination Letter for IRS approval.

Discussion:

The board will have the bylaw draft by the end of September. At the October meeting the Board will review and approve the revised bylaws to be presented to the Members at least ten days before the Annual meeting on November 17th . Members can attend the November 12th regular monthly meeting to ask clarifying questions. Joel will create an email link for the very large file.

The location for the Annual Meeting is tentatively scheduled at the Boy Scout Meeting Lodge, however the location may need to be updated as the Lodge has been sold. This information will be published in the October Blazer and a Save the Date and a link to the dues form.

Publications, Joel:

Not discussed

Trisha Schultz has volunteered to draft and publish the Trail Blazer.

Nesika Report, Pete:

16 people attended the September 6-8, 2024 work party. Pete mentioned the open Board positions at dinner. Linda hosted a history meeting in August. No one was at Nesika for the month of August. The next work party events will prepare Nesika to winterize.

Nora Tanner is trained at Nesika but needs to submit the form and payment before receiving the key. The key distribution will be voted on at the October meeting.

The hole near the creek bridge was discussed; it has not changed in size. Solutions were discussed and determined that many need to review the issue and develop a solution. The Forest Service was contacted but they have not responded. This same area was repaired by TCO ten years ago.

Tyee Report, Paul

The lodge was open every weekend in August. The month started with a marriage celebration, with guests travelling from Nevada and Wyoming, 35 guests total, twenty overnight, (a \$900 revenue).

The month continued with a women's weekend, followed by an elders two night stay. Many thanks to Loriann McNeil, Gerda Eck and Olivia Bakke for hosting respectively. It is rewarding to see an active lodge.

The donated laminate floor in the games room is 30% complete with a finish date in October. There was no work party scheduled in August but there are scheduled work parties for September and October. The oil tanks were filled 9/6, 330 gallons. Tanks hold 550 gallons.

There is one final Work-in Lieu day scheduled Friday 9/20 with the Forest Service. This will be at Old Maid Flats, on FS Rd 18 and the Sandy River. Apparently The Sierra Club has cleaned Salmon River 9/7/24. We should go back to Wildcat Mtn in May 2025.

Discuss funding for outside lean-to water access? \$400 contingency funding requested. This is less than 10% of the existing Tyee budget and does not require board approval.

Jeff Lawton and Bill Langdon have applied and paid for a Tyee lodge key.

Jeff has been trained in open/close procedures. Jeff's key was approved by the board. Bill will be trained at the next weekend. Bill's key was approved by the board.

Trips Report, Craig

Sept 10, 2024:

There was 1 day hike, 1 day trip and 3 backpack trips over the past month. The Wednesday night conditioning hikes continued throughout August.

The TCO day trip to Bull Run was a success - 14 hikers attended the TCO event. The Portland Water Authority requests to see TCO, is interested in becoming a member. Craig reported that low activity for trips this month; There was a pause of a online trip leader meetings.

The Nesika Chairs, Pete and Trisha asked Craig to lead the trail clearing efforts around Nesika. Craig and Eric Zimmerman cleared both segments of the High Water Trail and the Cougar Rock trail during the September Nesika work weekend. New US Forest Service replica signs were placed at both ends of the High Water Trail and at the Cougar Rock Trail. It was discussed that additional signage near Nesika would be helpful. Pete noted that people are getting lost on the Multnomah Basin Road, that a sign would be helpful for hikers. The log that has a sign on it is small and confusing to determine location. The Franklin Ridge Trail connector behind Nesika was discussed with hopes to clear it. The next work party at Nesika they will clear the ornament trail to prepare for winter. TCO members interested in helping flag and/or clear legacy trails in the Multnomah Basin can contact Craig Gwydir at tripschair@trailsclub.org.

Craig will post cleared trails on social media for hikers to use the trails and increase foot traffic.
